Specialist PICU for Men

**Bennu Ward,
Cygnet Hospital Wyke, Bradford**

Bennu Ward is a 12 bed male PICU that accepts emergency and crisis admissions. Referrals come to us from all areas, including acute and prison services.

The aim of Bennu Ward is to provide a short, rapid intervention to help service users regain a sense of control and order in their lives, so they can move to a less restrictive care setting or return home

The service will provide expert, intensive, short-term, individualised care for men detained under the Mental Health Act. Service users will present with increased risks that require them to be assessed and treated in a PICU environment.
