Specialist residential service for adults with learning disabilities and complex needs

Accepting referrals now

Trinity Lodge is a specialist residential service for adults with learning disabilities and complex needs. The team supports individuals who have behaviours that may challenge and associated mental or physical health needs.

This new residential service has been designed to accommodate the ongoing aging needs of current residents at Trinity House, a residential service with nursing, also in Lockerbie. The service also accepts external referrals.

- > May have communication challenges
- > May have associated complex needs

Our service at a glance

Trinity Lodge supports 6 individuals in 3 living units, 2 single occupancy flats and 4 en-suite bedrooms with communal living space. The en-suite bedrooms are located on the first floor and the facilities include a communal and quiet lounge, a dining room, a kitchen, an accessible bathroom, a shared garden with seating and space for outdoor activities. The 2 flats are located on the ground floor and each has its own front door giving individuals added independence. Both flats have their own lobby, en-suite bedroom, kitchen and lounge diner as well as a private garden solely for their own use.

Located in the heart of a residential part of Lockerbie, the service has an abundance of community-based activities and facilities. The residents will be encouraged to be involved in the local community as much or as little as they wish to be.

We encourage and enable the individuals we support to lead a full and happy life. We work with them to ensure they have more choice and control in their lives. We find out their strengths, abilities and preferences so that the care provided can be as person-centred and meaningful to each individual as possible.

New social enterprise café

Within the service is a new social enterprise café. This café will be open initially a couple of days a week and will be **open to the public**. The residents from Trinity Lodge and Trinity House will be offered the opportunity to **develop skills** in catering and customer service whilst contributing to all **aspects of working** in a café environment.

Ensuring residents have a positive experience
